For a long, long time

You know I'm gonna be away

It seems it all went by

So fast I wish that I could stay

Do what, you need to

My love, can't feed you

Don't you cry, for yesterday

Chorus

I don't mind, if you want

To be in my dreams tonight

I'll be fine, if you're gone

When the morning light has come

Verse

Something inside me says

I wanna hold you one more time

But that would be selfishness

And though you may not see it now

Your dreams, of me

Like the leaves, you'll see

Soon they'll all blow away

Chorus II

I don't mind, if you want  
To be in my dreams tonight  
I'll be fine, if you're gone  
When the morning light has come  
Do what you need to  
My love can't feed you  
Don't you cry for yesterday

solo

Chorus out

I don't mind, if you want  
To be in my dreams tonight  
I will be fine, when you're gone  
I don't mind, if you find  
Someone else to hold you now  
And when I'm gone, I know you'll be strong
