Get yourself a crewcut  
Your hair's too long  
I hear it over and over  
And over again

The language you speak  
Is way too strong  
I hear it over and over  
And over again

I bought a brand new guitar  
And I'm so proud  
I play it over and over  
And over again

I can't play good  
But I play it loud  
Now turn it down, turn it down  
Son, you got to turn it down

I hear it over and over  
And over again  
Everybody's telling me  
What I oughta be

A doctor or a lawyer  
But I need a degree  
That good old rock and roll's  
Got a hold on me

(CHORUS)  
Why can't everybody see  
I just wanna be  
A boogie woogie man  
Do the best that I can  
To make a living  
By giving my songs  
Yeah, a boogie woogie man  
With the boogie woogie dance  
Singing boogie woogie  
All night long

Now my mama and my daddy  
Say that I can't sing  
I hear it over and over  
And over again

But all the little girls  
Like the way I scream  
I hear it over and over  
And over again

Yeah, everybody's telling me  
What I oughta be  
A doctor or a lawyer  
But I need a degree

That good old rock and roll's  
Got a hold on me  
Why can't everybody see  
I just wanna be

(CHORUS)

I hear it over and over  
And over and over again...
