Konvict, Ooh
Akon and Paul G, yeah
Akon and Paul G, yeah

Aye yo
Can I know why you keep on fighting?
Tell me why you keep on hiding?
Tell key so inviting, ooh
She said that, you said that
That I ain't fit (shit) for you
Quit lying, denying
'Cause I know I ain't trying to be I'm not fool
Do you're thing don't give a damn cause no one around
I'm ask her fast no body else should be out by then
Had it go, let it go, bad show, bad go, bad it go, had go
'Cause I don't want it taken with you

[x2]
C'mon my work with me now
'Cause I'm bang it woh oh oh
C'mon my let me do you
'Cause I'm bang it woh oh oh
C'mon my let me work it
'Cause I'mma do it oh oh oh
All night, all night, all night

Get me spring will make it crazy
Tell me now how alone get faking
If you paying heart today
I'll make you seduced that you'll never forget
You want this, come get it, stop being so shady
Rock'n Roll now sensed it all
Just speak one way cause asking about it
In my grasp do that things baby all up in my fast

I'm ask her fast no body else should be out by then
Heat it all, lose control, bad show, bad go, get with all,
lose control
'Cause you don't want it takes it with me

C'mon my work with me now
'Cause I'm bang it woh oh oh

C'mon my let me do you
'Cause I'm bang it woh oh oh
C'mon my let me work it
'Cause I'mma do it oh oh oh
All night, all night, all night

Girl I just wanna dance with you, scared to start it
Wanna come to the place with all my keeps and friends
with you, scared to start it
Have you himed up and be I keep just holding hands
with you, scared to start it
And I'm ride upon you all night and just romance with
you, scared to start it
Oh better romance with you, scared to start it
Laid it right baby, hey
Wanna feel you next to me all through the night baby,
hey
What it likes sitting next to a G when I ride baby, hey
Introduce to you my man Paul G is only ride that we
walk out that door

[x2]
C'mon my work with me now
'Cause I'm bang it woh oh oh
C'mon my let me do you
'Cause I'm bang it woh oh oh
C'mon my let me work it
'Cause I'mma do it oh oh oh
All night, all night, all night
