These are the consequences, anchored to the bottom of the sea.

Everything reversed to an unchancy mess.

Fate; all the passengers will be buried by the ocean.

Hope; is just a waste, only servants of god will last.

Pressures on the captain which will carry the neglected

hearts.

Only the servants of god himself will last.

Captain stands ready.

To be buried by the ocean.

He will be one with the depths.

With water in their lungs, only to be ignored.

Commence to sinking.

A journey to the bottom of the sea

You can't fight acquisition.

Treasured times will be forgotten.

Beneath the surface, awaits a certain decree.

For those, for those without hope and faith.

Waves, that never relents.

Depths, that never desists.

Will ravage all there is and leave a wreckage behind.

These are the consequences, anchored to the bottom of the sea.

Immense pressure, to the captain of the ship, which carry the neglected hearts.

Only the servants of god himself will last.

With water in their lungs only to be ignored.

They will always lie on the bottom of the sea.

I watched them sink, devoured by the depths.

Thousands of lives, sacrificed to the sea.

I watched them sink, devoured by the depths.
