It's time to look me in the eyes
It's time to read between the lines
That you'd leave me here for dead
But I'm not done yet
I've got nothing left to lose
I've got everything to prove
After all you put me through

I'm ready
I'm ready to fight
I'm ready
I'm ready to fight

I won't give in
I'm not that easy
I'll live again
Keep on breathing
I'll bleed my last regrets
Sometimes you got to burn the past yeah
To rise up, rise up from the ashes

It's time to cut through all this dirt
It's time to bury that hurts
God help me leave this all behind
I've got to survive
I've got nothing left to lose
I've got everything to prove
After all you put me through

I'm ready
I'm ready to fight
I'm ready
I'm ready to fight

I won't give in
I'm not that easy
I'll live again
Keep on breathing
I'll bleed my last regrets
Sometimes you got to burn the past yeah!
To rise up, rise up from the ashes

Rise up
Rise up from the ashes
Rise up
Rise up from the ashes
Rise up
Rise up from the ashes
Rise up
Rise up from the ashes

I'm ready
I'm ready to fight
I'm ready
I'm ready to fight
I'm ready
I'm ready to fight
I'm ready
I'm ready to fight

I won't give in
I'm not that easy
I'll live again
Keep on breathing
I'll bleed my last regrets
Sometimes you got to burn the past yeah
To rise up, rise up from the ashes

I won't give in
Rise up
Rise up from the ashes
I'll live again
Rise up
Rise up from the ashes

I'll bleed my last regrets
Sometimes you got to burn the past yeah
To rise up, rise up from the ashes

Rise up
Rise up from the ashes
Rise up
Rise up from the ashes
