Well I've been thinking, thinking about my worries
And my troubles whilst I'm in bed
I'd better get up, iron my shirt and clear my head
Cos I'm an employee and when I'm in the office I smile
at everybody
My mis-education got me here, you gotta play the
game,
You gotta play the game in life to succeed...

Well I said oh oh oh, where did all the good times go-

Well I said oh oh oh, Where did all the good times go-

Working from nine to five in the bank, I think it's w w w
w w(ank)

Oh no oh no oh oh where did all the good times go-oh

I said oh no oh oh, I think that I need to go-oh oh far far
away
From here and I'll take back all those years
