We just do, what you won't do
We just do, what you won't do
He told me why, he can't play our style

We just move, while you freeze
We just move, while you freeze
He told me why, they won't play your style

We play the wrong music
We sing the wrong words
We use the wrong rhythm
And we sell the wrong shirts

We play the wrong music
We write the wrong song
And if it's not enough
We steal from old stuff

We just eat, what you don't feed
We just eat, what you don't feed
He told me why, they won't play our style

We play the wrong music
We sing the wrong words
We use the wrong rhythm
And we sell the wrong shirts

We play the wrong music
We write the wrong song

And if that's not enough
We steal from old stuff

This is the wrong song – in the wrong time
This is the wrong song – for the wrong club
This is the wrong song – for the wrong fan
This is the wrong song – doing the wrong job

We play the wrong music
We sing the wrong words
We use the wrong rhythm
And we sell the wrong shirts

We play the wrong music
We write the wrong song
And if that's not enough
We steal from old stuff

We play the wrong music
We sing the wrong words
We use the wrong rhythm
And we sell the wrong shirts

We play the wrong music
We write the wrong song
And if that's not enough
We steal from old stuff

Lalalalala...
