Hey Judy
Do you remember how we met
You say you'll never forget
'Cause you love me

Well I love you too
And I'm good for you
But I'm afraid to ruin our plans
When you find out who I am

I am satan
I rule darkness and fight off the day
I am satan
You may wanna run
But I hope you will stay
I am satan
This year's king of the underworld
But there's nothing I can do
And I'd feel oh so blue without you

Hey Judy
Can you imagine how I feel
Can't we try to make a deal
'Cause you love me

And I love you too
I'm so good for you
But will you condemn me to hell
When you know why I dance so well

I am satan
I rule darkness and fight off the day
I am satan
You may wanna run
But I hope you will stay
I am satan
This year's king of the underworld
But there's nothing I can do
And I'd feel oh so blue without you

You run as fast as you could go

You need not fear me I won't follow
You'll always have respect from me
Now what do I see
You're walking back to me

I am satan
I rule darkness and fight off the day
I am satan
You may wanna run
But I hope you will stay
I am satan
This year's king of the underworld
And there's so much we can do
So let's go to Disneyland together
