Hold me closer and comfort me,
Just help me through the pain.
I don't know just whether I'm to never to feel the same.
I was fine the days before you came into my life.
Since then it seems that I've been running all the time.

Set me free.
Oooh set me free.

Going through the ways of love has opened up my
eyes.
Every dob that tainted you is growing all the time.
Send it all, send it all, send it all away.
Send it all, I've seen it all, always the same.

Set me free.
Oooh set me free.
Ohh yeah.

Oh send it all, never waste another day.
Search around, lost and found,
Life has shown me the way.

So feel it all, feel it all.
We will see what's around here.
I have opened, I'm lovin' the fact that you're gone.
Yeah you're gone.

Set me free.
(I'm free, I'm free)
Set me free.
(I'm free, I'm free)
Set me free.
(I'm free, I'm free)
Set me free.
(I'm free, I'm free)
