Ah ha
Ah ha
Ooh hoo
Ooh hoo

I raise my head in touchy situation
Know where you been
Yes, I make my bed in the heart of the nation
Know where you been
I know it's a trick of human love
To make all the people holler
Na Na
Said I'm lookin' out for that woman
Instead of reachin' out for that dollar
Na Na
I'm rollin' flowin' through the whole population
Know where you been
The high and the low but all my friends are relations
Know where you been
I can bring you pain
I can bring you sudden pleasure
Na Na
Your life will only gain
If your love is the final measure
Na Na

Ah ha
Ah ha
Ooh hoo
Ooh hoo

Know where you been...
