I feel so far away,
Its such a lonely day, away from you.
I feel like cellophane,
I look right through the pain,
To catch a glimpse of you.

I know time is wastin',
You're not hesitating.
You say it's a waste of time.
I know time is precious,
You're not over-special.
You say it's a waste of time.

I try to put it all behind.
Try to drink you off my mind,
'Cuz I'm not near you.

Oh I didn't have to go that day.
You took my gun and went away,
Now I'm not near you.

I know time is wastin',
You're not hesitating.
You say it's a waste of time.
I know time is precious,
You're not over-special.
You say it's a waste of time.

I can picture you,
Staring at the floor.
Walking out that door.

I felt so far away,
No more lonely days away from you.

I know time is wastin',
We're not hesitating.
I say it's a waste of time.
(It's a waste of time)
I know time is precious,
You're not over-special.
I say it's a waste of time.

(It's a waste of time)

It's a waste of time.

(It's a waste of time)

It's a waste of time.

(It's a waste of time)
