We're born into the night like,
Children of the damned,
And our pain will shine our light to,
Those who understand,

Born into the night!
Pain will shine our light!

Woah-oh-oh! Woah-oh-oh! Sink your teeth into forever,
Woah-oh-oh! Woah-oh-oh! Sunlight burns,
Children surrender,

An exorcise of life to cut beneath our hands,
Like souls who missed their plight,
We'll bleed along the sand,

Born into the night!
Pain will shine our light!

Woah-oh-oh! Woah-oh-oh! Sink your teeth into forever,
Woah-oh-oh! Woah-oh-oh! Sunlight burns,
Children surrender,

Sink your teeth into forever...

Woah-oh-oh! Woah-oh-oh! Sink your teeth into forever.
Woah-oh-oh! Woah-oh-oh! Sunlight burns,
Children surrender
