"Heaven's Calling"

I am the heartache,
You built by your deception,
A blind leap of faith,
Despair for passing seasons,

Sink in anger,
Fountains forming,
Spill like thunder to what we're holding,
Sleep forever now my darling,
I won't dwell on heaven's calling,

Drive into the stake,
Secrets of his "compassion"
A perfect escape,
Like hell you'll list your reasons,

Sink in anger,
Fountains forming,
Spill like thunder to what we're holding,
Sleep forever now my darling,
I won't dwell on heaven's calling,

Sink in anger,
Fountains forming,
Spill like thunder to what we're holding,
Sleep forever now my darling,
I won't dwell on heaven's calling
