GO!

Awake at night you focus,
On everyone who's hurt you,
Then write a list of targets,
Your violent lack of virtue,

Leave us alone!
You're on your own!
Go!

We are breathing,
While you're sleeping,
Go, (Go!)
The liars cheating.
Our hearts beating,
Go, (GO!)
And now you're on your own,

Heres to your perfect weapon,
Crack bones with blind aggression,
Like birds whos wings are broken,
You live without direction,

Leave us alone!
You're on your own!

We are breathing,
While your sleeping,
Go, (GO!)
And leave us alone,
The liars cheating,
Our hearts beating,
Go, (GO!)
And now you're on your own,

GO!
GO!
GO!
GO!
And now you're on your own!
GO!

GO!
And leave us alone!

We are breathing,
While your sleeping,
Go, (GO!)
And leave us alone,
The liars cheating,
Our hearts beating,
Go, (GO!)
And now you're on your own
