Pursuing the dream
they were handed at birth
And it festered within
their spoon-fed mind
Not knowing better
And not looking further
Than breathing and paychecks
And wasting their time

No unrest for the wicked
Uniform conformity
Is whats to be expected
If they plan to be

No unrest for the wicked
Uniform conformity
Is whats to be expected
If they plan to be

like everybody else!
dare to be different
like everybody else!
Indi-vi-dual
like everybody else!
If theyre all so different
Then why do they all look the same?

Pursuing the dream
they were handed at birth
And it festered within
their spoon-fed mind
Not knowing better
And not looking further
Than breathing and paychecks
And wasting their time

No unrest for the wicked
Uniform conformity
Is whats to be expected
If they plan to be

No unrest for the wicked
Uniform conformity
Is what's to be expected
If they plan to be

like everybody else!
dare to be different
like everybody else!
Indi-vi-dual
like everybody else!
If they're all so different
Then why do they all look the same?
