Movin away for the summer  
Doin what I meant to do  
Cant take you with me my lover,  
But it won't be the same without you  
I know you don't feel the same as me  
You promise me you want to  
I don't want to make you an enemy  
Already know what I gotta do.

Don't you know I'll never be alone my baby  
Don't you know  
Counting down the day's till you come and say all right  
Without you I thought I might go crazy,  
Craaaaazy  
Still wishing you were here with me tonight  
Tonight

Leaving this town for the first time  
Left all my memories behind  
Don't want to say that I won't be back  
Cause I just don't know, what I'll find

Don't you know I'll never be alone my baby  
Don't you know  
Counting down the day's till you come and say all right  
Without you I thought I might go crazy,  
Craaaaazy  
Still wishing you were here with me tonight  
Tonight

Now I wish I could turn back the hands of time  
Till the night when we met  
Next time I'll smile and pass you by  
I wouldn't have so many regrets

Don't you know I'll never be alone my baby  
Don't you know  
Counting down the day's till you come and say all right  
Without you I thought I might go crazy,  
Craaaaazy  
Still wishing you were here with me tonight  
Tonight

Moving away for the summer  
Don't you know, Don't you know, Don't you know
