Glasgow station; the Royal Mail train is loaded with
over two
And a half million pounds. That's more money than
most people
Can dream of. But then
some people have big dreams.

What if we get caught? - 'Course we won't! - But say we
do? -
Don't worry
just think about the money

imagine what you can do with it.
This is the last job I'm gonna do. I'm in for this one

then I'm out.
It's a life of luxury
my son. -
I'm off to Spain and that's it. -
Go to Spain
this is gonna be the crime of the century!

Some are willing to murder for a night out on the town.
Others hang around you when there's lots of it around.
But worst of all are people who really have no need

They do it for these reasons
in spite and out of greed

just for money.

Valentine's Day - red roses -
it's said that some have died for love.
In North Clark Street
Chicago

they died for money - died for money.

Cops always line you up with your nose in the bricks

they'll expect that.
Once their backs are turned

we'll just pepper the wall with them. -
You got the cops? - Couple of guys from out of town.
I've used 'em before.
They're clean
don't worry. Hey
I'm payin' you
worry ! -
It's gonna be a messy business. - Our business
their mess. -
You know
it's Valentine's Day
Al.
You want I should leave a message? -
Yeah
it's a good day to die.

Some are willing to murder for a night out on the town. .

..
Money
think about the money! - It's a life of luxury
my son. -
Money - it's a life of luxury - think about the money
Two or three hundred thousand pounds -
Think about the money
imagine what you can do with it -
Fifty million dollars a year - imagine what you can do
with it.

Some are willing to murder for a night out on the town. .

..
This is gonna be the crime of the century -
Two and a half million pounds - just for money -
This is gonna be the crime of the century -
More money than you would ever dream of - just for
money -
Don't worry
just think about the money -
I'm in for this one
then I'm out -
imagine what you can do with it -
Just for money - this is gonna be the crime of the
century -
I'm in for this one
then I'm out -
just think about the money -
Just for money - I'm gonna buy a roller -
Just don't mess it up

or the only place you'll be going is the Scrubs

The Scrubs
the Scrubs - just for money -
I'm going to South America
sit in a bar and drink champagne
Don't mess it up

or the only bars you'll be seeing 'll be on your window
Just for money - this is gonna be the crime of the
century!
