In 1965 Vietnam seemed like just another foreign war,
But it wasn't.
It was different in many ways, as so were those that did
the fighting.
In World War II the average age of the combat soldier
was 26...
In Vietnam he was 19.
In ininininin Vietnam he was 19.

(TV announcer's voice)
The shooting and fighting of the past two weeks
continued today
25 miles west of Saigon
I really wasn't sure what was going on (Vet's Voice)

Nininini Nineteen, 19, Ni-nineteen 19

In Vietnam the combat soldier typically served a twelve
month tour of duty but
Was exposed to hostile fire almost everyday
Nininininininininin 19 nininininninin 19

Hundreds of Thousands of men who saw heavy combat
in Vietnam were arrested
Since discharge
Their arrest rate is almost twice that of non-veterans of
the same age.
There are no accurate figures of how many of these
men have been incarcerated.
But, a Veterans Administration study concludes that
the greater of Vets
Exposure to combat could more likely affect his
chances of being arrested or
Convicted.

This is one legacy of the Vietnam War

(Singing Girls)
All those who remember the war
They won't forget what they've seen..
Destruction of men in their prime

Whose average was 19
Dedededededede-Destruction
Dedededededede-Destruction
War, War
Dededede-Destruction, wa-wa-War, wa-War, War
Dedededededede-Destruction
War, War

After World War II the Men came home together on
troop ships, but the Vietnam
Vet often arrived home within 48 hours of jungle
combat
Perhaps the most dramatic difference between World
War II and Vietnam was
Coming home.. .none of them received a hero's
welcome
None of them received a heroes welcome, none of
them, none of them
Nenene Nenene None of them, none of them, none of
them (etc...)
None of them received a hero's welcome
None of them received a hero's welcome

According to a Veteran's Administration study
Half of the Vietnam combat veterans suffered from
what Psychiatrists call
Post-Traumatic-Stress-Disorder
Many vets complain of alienation, rage, or guilt
Some succumb to suicidal thoughts
Eight to Ten years after coming home almost eight-
hundred-thousand men are
Still fighting the Vietnam War

(Soldiers Voice)
When we came back it was different.. Everybody wants
to know "How'd it
Happened to those guys over there
There's gotta be something wrong somewhere
We did what we had to do
There's gotta be something wrong somewhere
People wanted us to be ashamed of what it made us
Dad had no idea what he went to fight and he is now
All we want to do is come home

All we want to do is come home
What did we do it for
All we want to do is come home
Was it worth it?
