This loneliness, oh can't you see
It's killing you, it's killing me
I find no point in making sense
In everything that we say next

Don't ask me how i'm feeling
Just keeping time we're sinking
This lonely sun's a power
Waiting sip the lone (Or Where does it belong)

Stop killing time
Killing time
Every time you're with me
Stop, killing time
Perfect sense is a crime

Stop killing time
Killing time
Every time you're with me
Stop, killing time
Perfect sense is a crime

How many times must we mourn, away

This emptiness, oh can't you see
It has become, your faith in me
Lets keep the faith that we do best
Lets live our love and not expect

Don't ask me how i'm feeling
Just keeping tight we're sinking
This lonely sun's a power
Waiting sip the lone (Or Where does it belong)

Stop killing time
Killing time
Every time you're with me
Stop killing time
Perfect sense is a crime

Stop killing my time
It's a crime

Stop killing time
Killing time
Every time you're with me

Stop killing time
Perfect sense is a crime

It's a crime
Stop killing my time

It's a crime
Stop killing my time
