Ya  
Ya  
CIU  
YA  
Oh

I'm so competitive I make winning repetitive. What you see is what you get my life is unedited.  
I go hard, ball hard, like a point guard, rookie of the year, mvp, allstar  
I keep the crowd on their feet standing ovation  
I can't wait to get it in, I have no patience

(Chorus)

I'm nothing but, I'm nothing but, I'm nothing but amazing  
I'm nothing but, I'm nothing but, I'm nothing but amazing  
NBA ya NBA, nothing but amazing, I'm NBA  
NBA ya NBA, nothing but amazing, I'm NBA  
They can keep trying but they know they can't stop me  
They got their hands up but they still can't block me  
I stay a step ahead, my call cred is A1  
I put it all on the line ya from day 1

You see the way I shine, I put in overtime  
That's the hustle grind (hustle hustle hustle grind)  
Money on my mind, non stop  
Like everyday is new years eve, watch the apple drop  
Let the bottles pop, celebration, championship ring, my motivation

(Chorus)

It's more than a game, I entertain  
I go hard in the paint, stay out my lane  
I'm glad you came, so you can witness  
Cut the check, let's get down to business  
Turn the cameras on, face time  
I'm always open, baseline

(Chorus)

NBA ya NBA, nothing but amazing, I'm NBA  
NBA ya NBA, nothing but amazing, I'm NBA  
Ya, ya, ya, ya ya  
I'm nothing but, I'm nothing but, I'm nothing but  
amazing.  
I'm nothing but, I'm nothing but, I'm nothing but  
amazing.
