"Man Smart - Woman Smarter"

Visit "[Man Smart - Woman Smarter](#)" on MotoLyrics.com

Let us put man and woman together
See which one is smarter
Some say men, but I say no
Women got the men like a puppet show

Chorus:

It ain't me, it's the people that say
The men are leading the women astray
But I say, it's the women today
They're smarter than the men in every way
That's right, the women are smarter
That's right, the women are smarter

A little boy sat down and cried
A old man passed and asked him why
He said "I can't do what the big boys do"
The old man sat down and he cried too

(Repeat chorus)
