Hello Hello
Nobody likes your pretentious manner
Do you know that?
Hello Hello Hello
Don't be such a snob
Don't get on the high horse, man

You are caged in your own world
You must know the vivid world
Blah blah blah and you say blah blah blah
I'm sorry but I can't hear you anything

I'm sorry sorry sorry
I don't want to hear anymore
Oh that's too bad guy
Sorry sorry sorry
Oh you act big but in fact you are nothing
That's too bad

Hello Hello
You shoul not say things like that
To people all the time
Hello Hello Hello
Don't be such a snob
Don't get on the high horse, man

You are caged in your own world
You must know the vivid world
Blah blah blah and you say blah blah blah
I'm sorry but I can't hear you anything

I'm sorry sorry sorry
I don't want to hear anymore
Oh that's too badguy
Sorry sorry sorry
Oh you act big but in fact you are nothing
That's too bad
