Have no place to go
Have no place to go
Darling
Have no place to go
Have no place to go
Goodbye baby
Yes I'm going
Goodbye baby
Yes I'm going

Have no place to go
Have no place to go
Darling
Have no place to go
Have no place to go

Goodbye baby
Yes I'm going
Goodbye baby
Yes I'm going

Down the road I go
Down the road I go
Down the road I go

Have no place to go
Have no place to go
Darling
Have no place to go
Have no place to go.
