[Intro: Cash Out]

[Hook: Cash Out]

Your bitch, she give me whatever I want

My club, he give me whatever I want

When it comes to the mall, IÂ'm gettin whatever I want

When it comes to clipse, we shooting whatever you
want ooh

[Verse 1: Cash Out]

Fuck you pay me, itÂ's on my hat

WhatÂ's on my waist? you know itÂ's the strap

Cop on my shirt, your bitch gon work

And I go bizerk, when IÂ'm spittin on these verses

IÂ'm killin shit these niggas better call a hurst quick,

IÂ'm so sick, my wrist sick, I spit bricks

I pop shit, but I show shit when I pop shit yeah,

You pop shit just pop shit and I pop shit

[Hook]

[Bridge: Cash Out]

And I swear my kicks cost a do wop

And I swear my wrist costs a half block

And I swear IÂ'll put a whole brick on your head

And I swear I aint never talkin to the Feds

[Verse 2: French Montana]

Big blocks I swear, I cashed out I swear

So tight with this bread nigga, but these bullets I share

I got dubs under that V, I will Dre beats your broad

I got blood under my feet, I got plane seats in my car

I get a hundred bricks on my arm, I got a hundred
stacks in my charm

Make it rain, sin city

I spend hundred bands on that storm

Now don't fuck around with that cold boy now

Young blood on that dough boy now

Came up off that dough boy block,
Straight up to that billboard spot

[Hook]

[Bridge]
