(Phone ringing... "ahem" "hello?" "hi uh chenilla, um
This is junior" "oh hi junior" "hi um, I was wondering
If you want to go out with me um, on friday night and
If not, if you can't do it friday, if you wanna do it
Saturday?")

When we heard she touched a man, everybody knew
her

Well

When we heard she touched a girl, chenilla, you
change

My world

You girls think she's such a drag

But I know better, I know better

Chenilla I will stay with you, stay with you forever

O chenilla

O chenilla

O chenilla

O chenilla

Wooh ooh woah ooh chenilla

Woah chenilla

O chenilla

O chenilla

I've seen you around the mall

I know you outslut them all

You have broken a million hearts and

You broke mine and that's a start(?)

Chenilla will you please be mine

I'll stay with you till the end of time

Chenilla I will stay with you, stay with you forever

O chenilla

O chenilla

O chenilla

O chenilla

Wooh ooh woah ooh chenilla

Woah chenilla

O chenilla

O chenilla

I've seen you walk by with yr head held so high
You can't see the tear appear in the corner of my misty
Eye

You've gone out with all those girls chenilla

You've gone out with all those guys

You went out with me once and then left me

And I wanna know why why why! ?

O chenilla

O chenilla

O chenilla

O chenilla

Wooh ooh woah ooh chenilla

Woah chenilla

O chenilla

O chenilla

O chenilla

O chenilla

O chenilla

O chenilla
