Your one wish, you'll never get
Your one wish, you'll never get
And you try, and you try, but you haven't yet
Cuz I'm your one wish that you'll never get
You'll never get

And you say, you get three,
But your never ever gonna get me
(i'm like the stars, like the sun)
You say you get three
But your never ever gonna get me
(reach and look high at what you want)
You say you get three
But your never ever gonna get me
(i'll stay right here out of touch)
You say you get three
But your never ever gonna get me
(you can't take for granted what you don't got)

Your one wish, you'll never get
Your one wish, you'll never get
And you try, and you try, but you haven't yet
Cuz I'm your one wish that you'll never get
You'll never get

And you say, you get three,
But your never ever gonna get me
(i'm like the stars, like the sun)
You say you get three
But your never ever gonna get me
(reach and look high at what you want)
You say you get three
But your never ever gonna get me
(i'll stay right here out of touch)
You say you get three
But your never ever gonna get me
(you can't take for granted what you don't got)

Once in my life, i think i will get my way
Once in my life, i think i will get my way

And you say, you get three,
But your never ever gonna get me
(i'm like the stars, like the sun)
You say you get three
But your never ever gonna get me
(reach and look high at what you want)
You say you get three
But your never ever gonna get me
(i'll stay right here out of touch)
You say you get three
But your never ever gonna get me
(you can't take for granted what you don't got)
