The person that you were has died  
You lost the sparkle in your eyes  
You fell for love into it's straps  
Now you want a bridge to guide  
Now you want a bridge to guide  
Now you want that person back

And all your ammunition is gone  
Run out of fuel to carry on  
You don't know what you wanna do  
You got no pull, to pull you through

Say I am, say I am, say I am wonderful  
Say I am, say I am, say I am wonderful

If what you've lost can not be found  
And the weight of the world weighs you down  
No longer we've the will to fly  
You stop to let it pass you by  
Don't stop to let it pass you by  
You gotta look yourself in the eye

Say I am, say I am, say I am wonderful  
Oohh, you are  
Say I am, say I am, say I am wonderful

Cause we are a miracle  
Wrapped up in chemicals  
We are incredible  
Don't take it for granted, no  
We are a miracle  
Oh, we are

Say I am, say I am, say I am wonderful  
Oohh, you are, don't take it for granted, no  
We are miracles, we are wonderful  
Say I am, say I am, say I am wonderful
