Wasting time with dreams of anonymity  
Barrel of lies wasting space in my vicinity  
The future hold false hopes of crass divinity  
Burning holes through the arms of a red anemone  
Open your mouth to let the bullshit in  
You might frown for a minute, then you'll grin  
Speaking in tongues is to exercise the mouth  
Now open up to let the bullshit out 'cause

I have nothing to say but I say it anyway.  
I have nothing to say and I...

The other day my octopus caught malaria.  
And when he sneezes, well you know there's nothing  
Scarier.  
Told him I'd find a doctor to take good care of ya',  
But he suggested I go find a good Bull Terrier.  
An open mind is a symptom of a sin.  
An open door to let ol' Satan in  
Speaking in tongues is to exercise the mouth.

Now open up to let the bullshit out!

Cuz I have nothing to say and I say it anyway... (2X)

Noone likes a cat cuz, the way a cat works  
Is sitting 'round all day just thinkin' 'bout the  
Universe  
And if he bites your tongue, that pussy's gonna' make  
It hurt  
So you betta' not fuck with that pussy's universe.

Open your mouth to let the bullshit in  
You might frown for a minute, then you'll grin.  
Speaking in tongues is to exercise the mouth.  
Now open up to let the bullshit out cuz

I have nothing to say and I say it anyway... (2X)

Gawd you are no fun  
Pussy got your tongue  
Gawd you are no fun

Pussy got your tongue  
Pussy got your tongue  
Pussy got your tongue  
Pussy got your tongue  
Pussy got your tongue
