[Lord Strã-goã:]  
Suc eshar hen, Åiva mel I ruhta  
Hul iya eane  
Metya vanwa ar u nesian tenna man laita iya ak

I never thought that my destiny could be so sad  
My pain is so strong and hopeless like my life  
I'm trying to organize all my memories

I'm on a quest for my memories  
I'm on a quest for my dreams

How long's this lonely road?  
How long this lonely night?  
How long this lake of tears?  
And while I spent the time  
Like those waiting for death

Two months ago my trouble was born  
Like a revelation in front of my unbelieving eyes  
Some forces emerge in me someday I will return

I'm on a quest for my myself  
I'm on a quest for my peace

I can't follow with my broken heart...  
And my dead soul...

How long's this lonely road?  
How long this lonely night?  
How long this lake of tears?  
And while I spent the time  
Like those waiting death

[Lord Strã-goã:]  
Metya vanwa ar u nesian tenna man laita iya ak
