[Verse 1]

Hey you're looking good tonight
And every girl has got you in her sight
What, you doing with someone like me?
Surely one of life's little mysteries

[Chorus]

So tonight I'll ask the stars above
How did I ever win your love?
What did I do? What did I say?
To turn your angel eyes my way

[Verse 2]

Well I'm a girl who never learned to dance
Never even got one second glance
Across the crowded room was close enough
I could look but I could never touch

[Chorus]

So tonight I'll ask the stars above
How did I ever win your love?
What did I do? What did I say?

To turn your angel eyes my way

[Verse 3]

(Don't anybody wake me)
Don't anybody wake me
It feels just a dream
(Cause it's the best thing)
Cause it's the best thing that's ever happened to me
(All you ladies)
All you ladies, you can look all you like
Cause this guy you see is leaving here with me

[Chorus]

So tonight I'll ask the stars above
How did I ever win your love?
What did I do? What did I say?
To turn your angel eyes my way

So tonight I'll ask the stars above

How did I ever win your love?
What did I do? What did I say?
To turn your angel eyes my way
