Baby I need your lovin'  
Baby I need your lovin'  
Although you're never near  
Your voice is often here  
Another day, another night  
I long to hold, hold you tight  
'Cause I'm so lonely

Chorus:

Baby, I need your lovin'  
Got to have all your lovin'  
Baby, I need your lovin'  
I got to have all your lovin'

Some say it's a sign of weakness  
For a girl like me to beg  
Then weak I'd rather be  
If it means havin' you to keep  
'Cause lately I've been losin' sleep

Chorus

Baby sometimes I wonder  
Will I ever be the same  
I can't go on without you, no no  
This emptiness won't let me live oh

Chorus x2

I've got to have your love  
I can't live without your lovin' babe  
I need your lovin', I need your lovin'  
Got to have it, I need it

I need you, I need your love babe  
I need your lovin' babe (repeat)
