Ooh yeah, yeah hoo..  
I don't wanna rain on this parade  
But I'm starting to question the love that was made  
I'm not looking for just an affair  
I want a love that is based on truth not just dare

You will not hurt my pride  
If right now you decide  
That you are not ready to settle down  
But if you want my heart  
Then it's time that you start  
To act like you're mine in the light and the dark

Chorus:  
If you love me, say it  
If you trust me, do it  
If you want me, show it  
If you need me, prove it

If you love me, say it  
If you trust me, do it  
If you want me, show it  
If you need me, prove it

You see now actions speak louder than words  
So don't just say things that I've already heard  
Don't want your body without your soul  
I don't want a love who will come here and go

You will not hurt my pride  
If right now you decide  
That you are not ready to settle down  
But if you want my heart  
Then it's time that you start  
To act like you're mine in the light and the dark

Chorus x2

Oh I, Oh I, I wanna touch you baby  
And spread my love all around you, honey  
And if you come, you gotta show, baby  
True love to share...

Ooh yeah, my sweet babyÂ...
