can't fool myself, I don't want nobody else to ever love
me
You are my shinin' star, my guiding light, my love
fantasy
There's not a minute, hour, day or night that I don't
love you
You're at the top of my list 'cause I'm always thinkin' of
you

I still remember in the days when I was scared to touch
you
How I spent my day dreamin' plannin' how to say I love
you
You must have known that I had feelings deep enough
to swim in
That's when you opened up your heart and you told me
to come in

Oh, my love
A thousand kisses from you is never too much
I just don't wanna stop

Oh, my love
A million days in your arms is never too much
I just don't wanna stop

Never too much, never too much, never too much,
never too much

Woke up today, looked at your picture just to get me
started
I called you up, but you weren't there and I was broken
hearted
Hung up the phone, can't be too late, the boss is so
demandin'
Opened the door up and to my surprise there you were
standin'

Well, who needs to go to work to hustle for another
dollar
I'd rather be with you 'cause you make my heart

scream and holler
Love is a gamble and I'm so glad that I'm winnin'
We've come a long way and yet this is only the
beginnin'

Oh, my love
A thousand kisses from you is never too much
(Never too much, never too much, never too much)
I just don't wanna stop

Oh, my love
A million days in your arms is never too much
(Never too much, never too much, never too much)
And I just don't wanna stop

Oh, my love
A thousand kisses from you is never
(Never too much, never too much, never too much)
I just don't wanna stop

Oh, my love
A million days in your arms is never too much
