Chorus:

You little trustmaker
YouÂ're no heart-breaker, yes sir
You little trustmaker, youÂ're no heart-breaker
You little trustmaker

You, you give me love
And all of the things that I will want forever
And you sweep away pain
Giving me joy I will know will last forever

Chorus

Girl remember, youÂ're my life, dream
YouÂ're my world, youÂ're all I want forever and
Lovin, warm and tender
I am glad, for all that I can count on

Chorus

You, you give me love
And all of the things that I will want forever
And you sweep away pain
Giving me joy I know will last forever

You little trustmaker
YouÂ're no heart-breaker, yes sir
You little trustmaker, youÂ're no heart-breaker
You little trustmaker
YouÂ're no heart-breaker, yes sir
You little trustmaker, youÂ're no heart-breaker

You little trustmaker
YouÂ're no heart-breaker, yes sir
You little trustmaker, youÂ're no heart-breaker
