I'm goin' out on the town
Said I'm tired of
Chasin' you down
And it's not my right
To always push you around
I'm on my own side now

Who's gonna take me home?
Couse I don't wanna go it alone
Who's gonna want me when
I'm just somewhere you've been
Who's gonna want me now?
And who's gonna take me home?

I'm gonna find me true love
Said I'm trough asking you if you knew, love
How much it meant to me?
How it was meant to be?
And how it all feels empty?

Who's gonna take me home?
Couse I don't wanna go it alone
Who's gonna want me when
I'm just somewhere you've been
Who's gonna want me now?
And who's gonna take me home?

Who's gonna take me home?
Couse I don't wanna go it alone
Who's gonna want me when
I'm just somewhere you've been
Who's gonna want me now?

Who's gonna take me home?
Couse I don't wanna go it alone
Who's gonna want me when
I'm just somewhere you've been
Who's gonna want me now?
And who's gonna take me home?

I'm goin' out on the town

Said I'm tired of
Chasin' you down
And it's not my right
To always push you around
I'm on my own side now
Own side now
