Thinking, I've been thinking  
About leaving this old town behind  
I'll beg and borrow, to leave tomorrow  
Find all my sorrow, and take it back

[Chorus]

Come on, you can sleep when I'm gone  
I was lying when I said there's plenty of time  
Don't need your alibi baby  
Cause I'm always smiling  
Tryina see the crime

Lying, I've been lying  
I've been lying around for thoughts in this town too  
long  
Too long to tell, if I've been lying  
Oh just another morning, the stars what I've become

[Chorus]

Come on, you can sleep when I'm gone  
I was lying when I said there's plenty of time  
Don't need your alibi baby  
Cause I'm always smiling  
Tryina see the crime

[Guitar Solo]

[Chorus]

Come on, you can sleep when I'm gone  
I was lying when I said there's plenty of time  
Don't need your alibi baby  
Cause I'm always smiling  
Tryina see the crime  
I'm always smiling  
Tryina see the crime.
