So there I was and you we're gone without me.  
My heart is like a broken glass, ready to sleep.

Now I realized what you've done to me,  
You left without a single feel,  
Ready to say goodbye for our HIS-TO-RY!

There I was terrified, cause you we're on my sight,  
I can't believe my eyes.  
I turn my back for you, hope you don't be a fool,  
To lay your hand on me.

[bridge 1]  
What you did to me, was unacceptable.

[chorus 1]  
Hey!  
Can you see how I hate?  
Can you feel all of my rage?  
Can you see how your own heart pumps my anger into  
your veins?

[bridge 2]  
What you did to me, was unforgivable.

[chorus 2]  
Hey!  
Everything you said was a lie!  
I just want to say goodbye!  
Don't you ever speak to me, get the fuck out of my  
face!

I can't find words to say, how I will survive today,  
You caused me so much pain.  
I just close my eyes, start running towards the light,  
Ready to say goodbye.
