You go right, I'll go left  
Sometimes we don't agree  
But that's ok cuz in the end  
We're still brothers you and me  
We'll go to Steak n' Shake sometimes  
Cuz we hang out every night  
And we do the same old thing  
Sometimes we fool around too much  
Cuz we are a frisky bunch  
We get in trouble every day  
Hey Ho straight through the heart  
I'm for you and I know you're there for me  
Give me a High 5  
Hey Ho friends till the end  
Can't you see that's the way it's got to be  
You're the money and the bomb,  
But I talk about your mom  
Even though it isn't right  
Got to mikey's play some games,  
Stay up till the break of day,  
Maybe get into a fight.  
Even though we're hittin' 20  
And we haven't yet matured,  
You know I think it's kinda funny  
That we're all a bunch of nerds.  
Can't you see thats the way its gotta be  
(repeat)  
You've done good this time  
You've done real good
