Let me be the one

Check it out

Stop dragging yourself around

Thinking everybody has let you down

We all need a little help to get through

Don't you know I'll be there for you

CHORUS:

Let me be the one

To make it right

When you're all by yourself

Let me be the one

In this crazy life

When you've got nobody else

(I'll be your sunshine)

When it rains

(I'll give you my time)

Just call my name

When all is said and done

Let me be the one

Listen

Deep down in your heart you know

You can't give up

Never let go

Gotta hold on whatever you do

Always got you-know-who

CHORUS

(I'll be your sunshine)

When it rains

(I'll give you my time)

Just call my name

When all is said and done

Let me be the one

To warm your soul

When you are lost and confused

Let me be the one
To make you whole
I know just what to do

(When you lose your way)
Come to me
(I'll be here always)
I guarantee
When all is said and done
Let me be the one
Let me be the one

These are the promises I want to make
Change the tears in your eyes
To a smile on your face
At least let me try
Till I find a way

(Guitar solo)

CHORUS

(Let me be the one)

I'll be there in a hurry
(Let me be the one)
There's no need to worry
(Let me be the one)
