There's times like these that we always know
Just when our problems leave us alone
So give a big fuck you to the world
If you've had enough of these fucked up rules

I don't care what you think of me
When I'm like this, I'm happy
And you hate it, but I'm jaded
And times changing so get out of my way
Cause I
I'm gonna take on the world tonight

I may tell the truth when I'm drunk
Cause in the end it's all that we've got
And I hate the way you complain
It's all you do and it drives me insane

I don't care what you think of me
When I'm like this, I'm happy
And you hate it, but I'm jaded
And times changing so get out of my way
Cause I
I'm gonna take on the world tonight

So let me hear you sing
(WOOOOAAA)
I'm tired of changing things for people just to break
down
So let me hear you sing
(WOOOOAAA)
(Sample from 'The Hangover')

I don't care what you think of me
When I'm like this, I'm happy
And you hate it, but I'm jaded
And times changing so get out of my way

I don't care what you think of me
When I'm like this, I'm happy
And you hate it, but I'm jaded
And times changing so get out of my way

Get out of my way
