Sometimes I wanna give up
I wanna get out
I wanna leave everything I have here safe and sound
To find when I return

It's been 19 hours and 14 Days
The clock is ticking but it stays the same
The emptiness is closing in on me
I've spent too much time trying to write a song
I've lost all sense of my rights and wrongs
I keep my memories close to just believe
But sometimes I...

Sometimes I wanna give up
I wanna get out
I wanna leave everything I have here safe and sound
To find when I return
Sometimes I wanna give up
I wanna get out
I wanna leave everything I have here in this town
To find the reason why it's so worth it

It's been 19 hours and 14 days
I've used my mind up in every way
The emptiness is closing in on me
BUT I'LL KEEP Pushing forward and moving on (HEY)
Writing lyrics and sing-along's (HEY)
I keep my memories close to just believe
But sometimes I...

Sometimes I wanna give up
I wanna get out
I wanna leave everything I have here safe and sound
To find when I return
Sometimes I wanna give up
I wanna get out
I wanna leave everything I have here in this town
To find the reason why it's so worth it

And it's so hard to say what mattered anyway

Sometimes I wanna give up
I wanna get out
I wanna leave everything I have here safe and sound
To find when I return
Sometimes I wanna give up
I wanna get out
I wanna leave everything I have here in this town
To find the reason why
You think you're dream will die
Because I know that
I won't find that here
