(LP) Wherever I go I see you people
I see you people just like me
And whatever you do I want to do
And the Pooh and you and me together make three
Let's go together
Let's go together
Let's go together right now
Let's go together
Let's go together
Let's go together right now
Come on

Shall I go off and away to bright Andromeda?
Shall I sail my wooden ships to the sea?
Or stay in a cage of those in Amerika??
Or shall I be on the knee?
Wave goodbye to Amerika
Say hello to the garden

So I see - I see the way you feel
And I know that your life is real
Pioneer searcher refugee
I follow you and you follow me
Let's go together
Let's go together
Let's go together right now
Let's go together
Let's go together
Let's go together right now
In an old starship
Let's go together
Let's go together right now
Let's go together
Let's go together
Let's go together right now
Together
Let's go together
Let's go together
Let's go together right now
Wave goodbye to Amerika
Say hello to the garden

(CD) Wherever I go there's always Pooh
There's always the Pooh and me
And whatever I do he wants to do
And the Pooh and you and me together make three
Let's go together
Let's go together
Let's go together right now
Let's go together
Let's go together
Let's go together right now
Come on

Shall I go off and away to South America?
Shall I put out in my ships to the sea?
Or be in a cage where be lions and tigers??
Or shall I be on the knee?
Wave goodbye to Amerika
Say hello to the garden

So I see - I see the way you feel
And I know that your life is real
Pioneer searcher refugee
I follow you and you follow me
Let's go together
Let's go together
Let's go together right now
Let's go together
Let's go together
Let's go together right now
In an old starship
Let's go together
Let's go together right now
Let's go together
Let's go together
Let's go together right now
Together
Let's go together
Let's go together
Let's go together right now
Wave goodbye to Amerika
Say hello to the garden
