Iâ've waited forever
For someone like you to call me home.
And I can't remember
A more beautiful view
Than the one that I get just looking at you.

La da da, la da da
La da da da da.
Take me, Iâ'm yours
Iâ'm nothing without you.

I cherish this moment
Singing to you
All I can think
Is I really love you
You know that I do
Don't think I could stand
To live without you.

La da da, la da da
La da da da da.
Take me, Iâ'm yours
Iâ'm nothing without you.
And I,
I wanna lay in your arms forever.
Forever.
Forever.

La da da, la da da
La da da da da.
Take me, Iâ'm yours
Iâ'm nothing without you.
Take me, Iâ'm yours
Iâ'm nothing without you.
Take me, Iâ'm yours

And I,
I wanna lay in your arms forever.
Forever.
Forever.
