Darling Iâ€™ll try
I swear that Iâ€™ll try.
But everyone lies,
Yeh everyone lies sometimes.

Iâ€™m sick of these calls
In motel room walls.
My baby sheâ€™s crying now,
Begging please come home somehow.

She said;
Darling I miss you so bad,
Darling I miss you so bad,
Darling I miss you so bad.

I said;
Iâ€™ve got to fight with my heart in my hands
So when I take my stand telling you Iâ€™m your man
Youâ€™re gonna see exactly what Iâ€™m meaning
When I say that your loveâ€™s gonna stop me from
bleeding.

I look at my round,
At 30 years old still no love was found.
The same blackened tires,
Will they lead me to love or the same lonely fires?

I said;
Darling I need you so bad,
Darling I need you so bad,
Darling I need you so bad.

So Iâ€™ve got to fight with my heart in my hands
So when I take my stand telling you Iâ€™m your man
Youâ€™re gonna see exactly what Iâ€™m meaning
When I say that your loveâ€™s gonna stop me from
bleeding.

I said weâ€™ve gotta get out of Sydney,
Lets move down to Melbourne
I swear we could start a new life
I said if you love me you love me youâ€™d better take my

hand
She said; I had no other plan.
I had no other plan,
I had no other plan,
I had no other plan.

Said weÂ've gotta get out of Sydney,
Lets move down to Melbourne
I swear we could start a new life
