I wanna fly up to the moon
And go to places that I haven't been yet
I only got 10 dollars in my pocket baby
So tell me how far can I get?
I wanna fly up to the moon
I want a piece of that around my neck
I only got a couple pennies to my name
So tell me baby how much can I get?

I wanna fly up to the moon
I want a piece of that around my neck
I only got a couple pennies to my name
So tell me baby can I, can I buy us a name?

We're the dreamers, to pretend just to love
Just to leave us, to believe us
So believe us
Until everyone knows what my name is
I'ma fake it till I'm famous
I'ma fake it till I'm famous
Until everyone knows what my name is
I'ma fake it till I'm famous

I wanna fly up to the moon
And go to places that I haven't been yet
I only got 10 dollars in my pocket baby
So tell me how far can I get?
I wanna fly up to the moon
I want a piece of that around my neck
I only got a couple pennies to my name
So tell me baby how much can I get?

We're the dreamers, to pretend just to love
Just to leave us, to believe us
So believe us
Until everyone knows what my name is
I'ma fake it till I'm famous
I'ma fake it till I'm famous
Until everyone knows what my name is
I'ma fake it till I'm famous

I wanna fly up to the moon

And go to places that I haven't been yet
I only got 10 dollars in my pocket baby
So tell me how far can I get?
I wanna fly up to the moon
I want a piece of that around my neck
I only got a couple pennies to my name
So tell me baby how much can I get?
