Maybe this time for sure
Things are gonna work out different
Not the way they did before

Maybe this time for sure
I can break out of the circle
I can find another door

Maybe this time I just might learn my lesson
Maybe this time I'll leave your past behind
Maybe this time I'll grab hold of my chances
Maybe this time I'll have a clearer mind

Maybe this time for sure
I can look into the mirror
I can stay up off the floor

Maybe this time for sure
I can roll right with the punches
I can hold some things in store

Maybe this time their tongues will all fall silent
Maybe this time I'll make them eat their words
Maybe this time I won't fulfill the warnings
Maybe this time I'll hold onto my nerve

Maybe this time for sure
Maybe this time I'll make them eat their words
Maybe this time for sure
Maybe this time I'll hold onto my nerve

instrumental

Maybe this time for sure
I can walk the straight and narrow, on the right side of
the law
Maybe this time for sure
I'll keep both my eyes right open, I'll know what I'm
living for
Maybe this time I'll stick with my intentions
Maybe this time I'll have no need to lie

Maybe this time I won't fall for temptation
Maybe this time Satan will pass you by

Maybe this time for sure
Maybe this time I'll have no need to lie
Maybe this time for sure
Maybe this time old Satan will pass you by
