I don't talk all that much about how I feel and
such

Though I try to keep in touch with this heart of mine
Now I'm gonna speak out loud because it
makes me feel so proud

That we're standing the test of time
You're 39, you're beautiful,
you're mine

I wake up every day, on my tongue a song of praise
You still take my breath away in the morning light
Down all the dogging days, you keep on getting better
with age

Like a lovingly made bottle of wine
You're 39, you're beautiful,
you're mine

Like a sailing ship at sea bearing spice and history
You come swaying to me in your prime
You're 39, you're beautiful and
you're mine

I'm gonna say it one more time
You're 39, you're beautiful and
you're mine
