Wake up wake up in the morning
I am feeling good and my pockets feeling better
I got a smile on my face cause
Cause I now it's getting down let me... myself together
Cause I am feeling brand new I am taking my time
I am living my life I am on my and I know all of my
haters can see me now
I promise I won't let you now came up from the bottom
now I am chilling at the top
You can bet I ain't gonna stop you know that I am a
winner so... beginner
Everything I do is brand new don't you know
I got a new swag I got to tell the whole world now watch
me turn it up
I am gonna do that ain't nobody gonna shut me down
I am gonna turn it on on on on on on on
Wait up wait up I am killing this shit every time I am
getting into my zone
Everybody know that I am the man around here I will
be... niggers just my...
Say I smell good that's my cologne I would be rolling
like a boss no Ricky boss
From the hood that's where I am from so when you see
me in the streets... cause I... good

My money long throw bottles on me shorty it ain't hard
to see I am on so on
Everything I do is brand new don't you know
I got a new swag I got to tell the whole world now watch
me turn it up
I am gonna do that ain't nobody gonna shut me down
I am gonna turn it on on on on on on on

Chevy thing top down you know how I am rolling
Getting money all the time money I will be blowing
I am blowing money fast what up Ricky Ross
Religious diamonds on me I am... the cross
Who the fuck you think you plan with
I do this like I know this... you ain't saying shit
Beats all day fifty on my deck... we run the shit I am
stupid rich
... I am fresh as hell I never... I bet you fail

Chorus

I got a new swag I got to tell the whole world now watch
me turn it up
I am gonna do that ain't nobody gonna shut me down
I am gonna turn it on on on on on on on on
