The way you wake up before the makeup
And your hair is outta place
You think it's ugly
I think it's lovely
So don't hide your pretty face
You don't need a cover up
How you are is good enough
I like it better when your skin is showin
It's like the sunrise in a blue sky
You're beautiful and the whole world knows it

You're so original
Only one of you babe only one of you babe
You're so untypical and I like it that way
I like it that way, oh oh oh, oh, I like it that way, I like it
that way, oh oh oh oh, I like it that way, I like it that way

Just some blue jeans
And a white tee
My girl is super fine
Edge of the magazine
That's's how it's gonna be
You look your best when you don't try
Little imperfections
Make a big impression
One in a million not a dollar dime
So when you're feeling fly
Just throw your high tops
Be the way baby girl I hold ohh

You're so original
Only one of you babe only one of you babe
You're so untypical and I like it that way, I like it that
way, oh oh oh, oh, I like it that way, I like it that way, oh
oh oh oh, I like it that way, I like it that way

You're so original
Only one of you babe only one of you babe
You're so untypical and I like it that way, I like it that
way, oh oh oh, oh, I like it that way, I like it that way, oh
oh oh oh, I like it that way, I like it that way
