Whatcha wanna do tonight,
I got a pocket of loose change,
And if you put yours with mine,
Then we might have all that we need to have us a real
good time,
Tell your friends to come on over,
You're the best self on promoter, all the sudden out of
nowhere

We got people rolling in by the carload,
Keep the party going all the way to tomorrow
Turn it up turn it up turn it up dj,
Make them feel it out on the freeway,
Lettin' go and then getting it on Livin'
In the moment all night long,
Once we start it ain't no stopping,
Hey now hey now everybody,
Hey now hey now it's a party,
Oh oh oh, na na na, oh oh oh,

We're runnin' outta room tonight,
Scopin' out every boy,
Dancin' on the grass outside,
Provin with the neighbors now and they don't seem to
mind,
Let your hair down peel your watch off,

Get those true religion knock off
Shakin' what you got a lot of

We got people rolling in by the carload,
Keep the party going all the way to tomorrow
Turn it up turn it up turn it up dj,
Make them feel it out on the freeway,
Lettin' go and then getting it on
Livin' in the moment all night long,
Once we start it ain't no stopping,
Hey now hey now everybody, hey now hey now it's a

Oh oh oh, na na na, oh oh oh,
